ACCOMMODATION IN AARHUS

As an exchange student at Aarhus School of Marine and Technical Engineering, you have four options for accommodation:

1. You can apply for a room at Grundfos-kollegiet, a nearby dormitory.
2. You can apply for accommodation through Kollegiekontoret, the housing organization of Aarhus Municipality.
3. You can live with a Danish family.
4. You can find something on your own.

You will be asked to choose an accommodation option when you fill in the AAMS application form. After the application deadline, AAMS will divide the rooms between our international students (First come, first served).

AAMS assists our international students in finding a place to live in Aarhus. However, we cannot guarantee students housing.

If you have questions regarding housing, please contact Secretary Malene Køpke Dueholm at mkr@aams.dk

1. GRUNDFOS-KOLLEGIET

The Dormitory

Grundfos-kollegiet is one of the newest dormitories in Aarhus. The dormitory is a 12-storey building, which consists of 159 flats. It can accommodate approximately 200 students. The dormitory is located in the brand new part of the city at the harbour where you will find housing, industry, culture, and recreational spaces. The dormitory is close to the centre of Aarhus, the forest, the library, public transportation and Aarhus School of Marine and Technical Engineering.

The Flats and the Rooms
Aarhus School of Marine and Technical Engineering can offer accommodation for six international students at Grundfos-kollegiet. Each flat is shared, so you will be living with one other international student. The entire flat is approximately 30 m², and each room is 6 m². The flats are furnished, and each flat has its own kitchen and bathroom. You do not need to bring towels, linen, etc.

Common Facilities
On the 12th floor, you will find communal facilities for all residents of the dormitory. Among other things, there are three kitchens and room for communal eating, a living room, and a roof terrace with a great view of Aarhus Bay, the harbour and the new part of the city. In the living room you will find couches, a football table, a big screen, a computer and a sound system and more, so this is a great place to go if you wish to meet new people.

The dormitory has a committee which occasionally plans “Danish food night” and parties where you can eat for free and buy drinks at low prices. This is a great way for international students to meet Danish students.

On the first floor, there is a reading room which all students at the dormitory can use to study, and in the basement you will find laundry facilities and a room for bikes.

Rent for one semester: DKK 20,000 (incl. internet, electricity, heat, water, cleaning of the room upon vacating). The rent must be paid in one installment before arrival.
Rental period: 15 January – 30 June/ 15 July – 22 December

2. ACCOMMODATION THROUGH KOLLEGIEKONTORET
Aarhus Municipality (Aarhus Kommune) offers to help international students find accommodation through Kollegiekontoret, a non-profit housing organisation.
There are no guarantees regarding location of the flat, since Kollegiekontoret has flats several places in and nearby Aarhus. The monthly rent varies but it is approx. DKK 2350-2700 (EUR 315-362) for a dormitory room and approx. DKK 3780 (EUR 510) for a one bedroom apartment at a dormitory. The rent is paid at a monthly basis. Student must pay a one-time administration fee of EUR 100. The rental period varies but you must vacate the room on the last weekday of the semester.

Read more about Kollegiekontoret at: www.kollegiekontoret.dk/english/home/

3. LIVING WITH A DANISH FAMILY

We have an arrangement with a Danish family that rents two rooms to international students. The two students share a bathroom and they share the kitchen with the family. The house is four kilometers from the school.

Rent for one semester: DKK 10,500 (incl. internet, electricity, heat, water). The rent must be paid in one installment before arrival. Rental period: 1 February – 30 June/ 1 August – 22 December

4. ACCOMMODATION ON YOUR OWN

Below you will find a list of useful links to accommodation sites. Be aware that housing in Aarhus is expensive:
